

THE BIG IDEAS: DEVELOPING LANGUAGE ARTS AND MATHEMATICS COMPETENCIES FOR THE 21ST CENTURY

A series of planning sessions for grades 4 and 5 teachers with lecturers from the St Joseph's Teachers' College.

These sessions will provide:

- assessment activities for students
- best practices for teaching Language Arts and Mathematics using the NSC
- ways to engaging students in virtual and face-to-face spaces

NOVEMBER 23, 25 & 26, 2020

3 P.M. - 5 P.M.
